

Join the Rally for Clean Trains Now! Sunday, Oct. 14th

The Clean Train Coalition is taking legal action against the decision by Metrolinx to put diesel trains on the Air Rail Link. The World Health Organization has re-classified diesel exhaust as cancer-causing. It's now time to tell Premier McGuinty to stop dirty diesel in its tracks.

Help us send a message to Metrolinx and McGuinty:

It's time to switch tracks.

NO to dirty diesel, YES to clean trains!

Build it once. Build it right!
